RE: Petition of the Office of Regulatory Staff in Pursuant to 26 S.C. Code Ann. Regs. 103-607 (Supp. 2011).

Dear Sir or Madam,

Pac-West Telecomm, Inc. received a Petition of the Office of Regulatory Staff for a Rule to Show Cause filed before the Public Service of South Carolina on June 26, 2012. In the petition, the Staff listed Pac-West as one of the carriers that had failed to comply with Regulation 103-607.

It is our priority to comply with any state regulations and laws. Therefore, we contacted the Regulatory Staff Office on June 29, 2012 to explain our situation. We spoke to Mr. James McDaniel and Ms. Lessie Hammonds and were advised to send this letter.

Pac-West Telecomm, Inc. does not provide residential local exchange services in South Carolina at this time. It has not to date provided these services. Therefore, Pac-West is not subject to filing a bond or other security mechanism consistent with regulation 103-607.

Should you need anything further, please feel free to let us know. Thank you for your assistance in this matter.

Yours truly,

Jen Olson
Director of Operations Finance
Pac-West Telecomm, Inc.
